

# CULTIVATE LIFE COACHING

Here are a few quotes to inspire your growing interest in starting your own business. If you enjoy these quotes, you might be interested in also printing out my entrepreneurial focused Cultivate Life Cards. You can find these cards under the Grow Your Own Business button on my web site [www.CultivateLife.com](http://www.CultivateLife.com).

Each month I send out a newsletter via email entitled "Seeds Of Inspiration". I pick a quote to ponder, pass along interesting stuff that readers send to me, and let you know about my upcoming appearances and course offerings. You may unsubscribe at any time so you retain complete control of what comes into your e-mailbox.

I also host a Gift Shop that exists to get the word out about people who are cultivating their creative talents and sharing them with the world. Right now there are cards and a t-shirt designed by a breast Cancer survivor, my husbands bluesy rock CD, and I even have my decorative mirrors displayed. Does this look like a place to market your creations? Are you ready to add your business to the mix? You can check out the shop 24/7 at

Drop me a line any time. I welcome your input.
